

REMARKS

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority applications.

Claims 1-2, 4, 6, 10 have been amended to more clearly describe the subject matter that Applicants regard as their invention. Claim 3 has been amended to remove multiple dependency. The amendment is made to reduce filing fees and not for any other reason related to patentability of such claim. No new matter is added by this amendment.

Abstract has been amended to conform to U.S. practice.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

Dated: June 24, 2004

Respectfully submitted,
